

Originally published twenty years ago, Nineteenth Century Art, Second Edition remains true to the original, with its superior survey of Western painting and sculpture presented in four historical parts, beginning in 1776 and ending with the dawn of the new century. This book draws on the historical documentation of the period, tracing the dynamics of the making and viewing of art, and examining the reciprocal influences of art and technology, art and politics, art and literature, art and music. For nineteenth century art enthusiasts.
