• Youth Football 5-3 Defense If you a new or veteran youth football coach, you may know that the 5 man or 50 front is most popular. In every league I have coached, the majority of the teams line up in an odd man front defense. The problem is many teams line up in this front, but have no clue what the run and pass responsibilities are. Now for the first time, a coaching staff with over 100 combined YOUTH FOOTBALL experience have tweaked and modified this popular defense for the youth level. This 5-3 Playbook is designed for youth football players, not high school or college. Only the necessary schemes are included to have success at the youth football level. There is no need for a variety of different blitz or pass coverage schemes. As all playbooks on our site, the plays have been tested and do work at the youth level. This particular defense works well with the younger 5-7 year old players as well as the older players ages 12-14. The 5-3 makes a great base defense for the younger kids and a great supplement for the older players.
