The king rules with an iron fist and no one dare defy him--no one except his daughter. Princess Leena is keeping a dangerous secret, she has fallen in love with a soldier and it would mean both of their lives if her father ever discovered their affair. But Leena will risk it all to be with the man she loves--her heart, her life, her freedom. And when her brothers birthday celebration takes a dangerous turn, Leena is forced to make a decision that will change the fate of her nation and eventually the world. **THE SHADOW SOUL** (A Dance of Dragons #1) When Jinji's home is destroyed, she is left with nowhere to run and no one to run to--until she meets Rhen, a prince chasing rumors that foreign enemies have landed on his shores. Masquerading as a boy, Jinji joins Rhen with vengeance in her heart. But traveling together doesn't mean trusting one another, and both are keeping a deep secret--magic. Jinji can weave the elements to create master illusions and Rhen can pull burning flames into his flesh. But while they struggle to hide the truth, a shadow lurks in the night. An ancient evil has reawakened, and unbeknownst to them, these two unlikely companions hold the key to its defeat. Because their meeting was not coincidence--it was fate. And their story has played out before, in a long forgotten time, an age of myth that is about to be reborn...
