

Volume Three of the Alpha Trio series! Grigore Lupei is the youngest member of Alpha Trio, the secret Shifter police squad. He's always been the joker, the charmer, the fun one. Lately though, seeing with his older brothers with their gorgeous Mates, wallowing in happiness and reeking of sex, is starting to take its toll. It's getting harder for him to pretend he's happy with a string of meaningless conquests when what he really wants is something like what Drei and Em have found. But spending time at the bottom of a bottle is a dangerous prospect for someone in Grig's line of work, especially with the vampires plotting to kidnap Cat, Em's human Mate, to use for their nefarious purposes. And an ambush one night when he's drunk and alone might just prove to be his undoing...and threaten the Alpha Trio forever. Until a vision with silky black hair, plump red lips, and a deadly blade shows up to save him. Kall says she can help Grig and his brothers stop the vampire threat once and for all – but can he trust the mysterious, dangerous stranger? Will she bring peace and safety to the Alpha Trio...or something else entirely? Fans of Stephenie Meyer, Bella Andre, and Kristan Higgins will love this quirky action-romance series with strong, independent women and sexy alpha heroes. Also Available: Alpha Trio: The Complete Collection Praise for The Alpha Trio: I truly enjoyed this short read. A great start to a shifter series. A group of shifters out to protect others from harm. On the way they just might find their other half!! Loved it! Great story full of clues that are not caught and leaves the ending to your imagination, will be interesting to see how the other two books in this trilogy end. Adult readers, lots of sexual content. Two FREE Sneak Peaks from author Sophie Black - Also Included! HOLIDAY DELIGHT Joanie has nothing to worry about, really. She owns a beautiful house, has a high paying position in a successful company and her ambition is enough to keep her company. When her boss announces a surprise vacation for everyone, she realizes that her life is hollow without work. She has no friends, no family and no one to turn to. The crashing loneliness drives her back to her office, but it isn't exactly empty – Mr. Haverford isn't just the man to impress when it comes to work, he is also extremely good looking and recently single. And he has a secret that is going to change Joanie's life. ALPHA DESIRE Toriana's entire world has changed in an instant. Once the daughter of the most powerful werewolf in the land, and together with her dream man, she is now on her own. Lost and betrayed, Toriana finds herself cast into the core of a horrible situation. She must plan her fight and choose her allies carefully. She relies on the only resources she has: her razor-sharp wit and iron will. Manipulation is her new weapon. When unforeseen circumstances compromise her efforts, she calls upon a few special allies to help change the werewolf pack's existence as they all know it. Will she succeed?
