

With great power comes great responsibility but what happens with unlimited cosmic power? When a science experiment goes wrong, Peter Parkers spider-powers are enhanced to an unbelievable degree! And the timing cant be beat - because with a cabal of deadly villains unleashing unpredictable attacks on Marvels heroes, Spider-Man will need all his newfound power just to survive! But who or what is the real force behind Spideys cosmic empowerment? And what is the battle he is destined to fight? Plus: Spider-Man teams up with the Punisher and deals with the return of Venom!
