

A must for any self-respecting library. NOTES AND QUERIES A standard work of reference. ENGLISH STUDIES With the appearance in 1999 of the very extensive interim volume covering the years 1978 to 1992, the Arthurian Bibliography became once more the critical source for Arthurian Scholars. This fourth volume of entries, culled in the main from BBSIA, covers the years 1993 to 1998 inclusive. The cumulative volumes of the Bibliography offer an exhaustive author and title database of the burgeoning scholarship in the field of Arthurian studies since the inception of the project at Hull over 30 years ago, reflecting the major advances in the field and the continuing relevance of Arthurian material in medieval studies.
