

The biggest untold story of the 2008 U.S. Presidential Election... Finally, the no-holds-barred, 100% true story of Barack Obamas use and sale of cocaine; his homosexual affairs and the December 23, 2007 murder of Barack Obamas former lover and choir director of Obamas Chicago church of 20 years, Donald Young, just days before the 2008 Iowa Caucus. This searing candid story begins with Barack Obama meeting Larry Sinclair in November, 1999, and subsequently procuring and selling cocaine, and then engaging in consensual, homosexual sex with Sinclair on November 6th and again on November 7, 1999. Youll read in riveting detail how Sinclair, in 2007, repeatedly contacted and requested that the Obama campaign simply come clean about their candidates 1999 drug use and sales. You learn how the Obama campaign, David Axelrod and Barack Obama used Donald Young (the homosexual lover of Barack Obama) to contact and seek out information from Sinclair about who he had told of Obamas crimes and actions. Youll read how the Obama campaign used internet porn king Dan Parisi and Ph.D. fraud Edward I. Gelb to conduct a rigged polygraph exam in an attempt to make the Sinclair story go away. The Obama team and the controlled media - specifically MSNBCs Chris Matthews, Keith Olbermann, the New York Times, CNN, Politicos Ben Smith, The DailyKos, The Huffington Post and others - attacked the National Press Club for making its facilities available to Larry Sinclair for a news conference to present his evidence and allegations to the world media. Youll read how Vice President Joe Bidens son, Delaware Attorney General Beau Biden, issued an arrest warrant on completely false, fabricated charges to attempt to discredit Mr. Sinclairs National Press Club news conference. This is a staggeringly true story of how the sitting U.S.President with the help of the Mainstream Media, the Chicago Police Department, the FBI, the Delaware Attorney General and others got away with murder and more....
