

Where theres smoke, theres fire... And I would know. As the only woman in a squad of firefighters, They call me T-Rex. Iâ€™m fierce, fearless, and I get the job done. Ive got a past that hurt me, nearly destroyed me. But who doesnâ€™t? Im no damsel in distress â€¦ I fight my own battles, my own wars, and my own fires. Now Iâ€™m sizzling for my lieutenant, Joe Murphy, and thatâ€™s one fire I donâ€™t want to put out. But itâ€™s a complicated situation. A hot and wild situationâ€¦ When things spiral out of control should I fight for the new life I was trying to build, or just let it burn? ***A Stand-alone story-no cliffhangers. A sexy romantic comedy with heart.***
