

From Best Selling Author, Ali Parker comes a new Billionaire Series filled with sexiness, humor and intense attraction... The bright lights of Hollywood can be blinding at times. Riley and Ethan dive head first into the hard work required to produce a blockbuster film. With only ten months to get everything done, they're working around the clock and it shows. The tension between them is building to an explosion neither of them is ready for. In hopes of trying to keep things professional between them, Ethan takes a step back and presents himself in a new light "a more responsible, mature Ethan Lewis. The smoke and mirrors takes its toll on both of them, and everyone is starting to notice. It isn't just about their relationship anymore, but about the possibility of messing up both their careers and all of their dreams. This is book 2 in a continued series. 18+ Explicit sexual content and possible foul language.
