He's a practical joker who mailed Pepto Bismol to various Cleveland Browns players before the big game. He also wandered the halls of his high school only to be found helping painters paint his school building. Being raised fatherless left room for several different men and two very special women to shape this hyperactive class clown into the wide receiver that no-one can cover. * Find out what really happened in the locker room at halftime during the 2005 playoff game. * Who does he call at 3 a.m. when he can't sleep? * The most important woman in his life—where does she live? * Who's credited for saving his football life?
