

What happens in the bayou, stays in the bayou! Devon Michelson is a man with a past. One he's worked hard to bury. But when the one woman he's always loved walks back into his life, suddenly he's willing to put everything on the line—including his freedom. Five years ago, Scarlett Jacobs left everything behind in order to start a new life. But when someone close to her is murdered and her life is threatened, she's forced to go on the run. Again. And right back into the arms of the one man she never thought she'd see again—Devon Michelson.
