

The New York Times bestselling author of the Wild About You series delivers the first in a brand-new series that takes readers on the wild ride that comes with loving a cowboy. When Vince Durant left Bickford, Texas, he was a rowdy cowboy just looking for a good time. He also left unfinished business. He hadn't captured the Ghost, a wild stallion that roams the hills, and he never convinced Georgina Bickford to go out with him. Georgie might be a lost cause, but the Ghost has been calling his name ever since....When Vince returns to Bickford, he finds his old stomping ground a shell of what it used to be, and Georgie still wants nothing to do with him. To her, he'll always be the womanizing cowboy she knew seven years ago. And when Vince comes up with a plan that might restore Bickford to its former glory, Georgie wonders if the rough-and-tough cowboy has truly changed. As they get closer, Georgie will have to decide whether to resist Vince's charm or to attempt to tame the wild stallion who's stolen her heart.
