

In *Darker Than Night*, secrets and scandals are served up daily in a world where no one is safe, neither sinner nor saint. The brutal predator whispers his signature, chilling line to each victim before he strikes: I come from a place darker than night. Reluctantly reinstated to the force, seasoned yet troubled homicide detective Carter Williams is assigned to investigate the death of a reputed child molester and murderer. The gruesome murder upsets no one, but as the killer goes on to torture and slay numerous victims, he surprisingly wins favor with the public. As the case becomes more and more unmanageable, he unravels the gruesome mystery while trying to hold onto everything he has so carefully strived to protect.
