

Do animals have mothers, too? Of course they do – just like me and you! From baby kangaroos, called joeys, to baby elephants, called calves, every kind of animal has a mother. Inside this playful and colorful book you will see all sorts of different babies with their mothers, all with one thing in common: Their mothers love them very, very much – just like your mother loves you! Come right in and meet the family – the animal family, that is – in words and pictures by Eric Carle.
