

Jenny Carruthers is a typical housewife enjoying a nice glass of red and some quality time alone. When the doorbell rings unexpectedly and interrupts her, the last person she expects to see on her doorstep is her sister's boyfriend Mike. Even more unexpected is what he holds in his hands. She doesn't know it then, but her life is about to be turned upside down. She will come to discover that Mike has no scruples or morals and will do anything to get what he wants, and what he wants...is Jenny.
