

This true story begins with a path taken by a man who had no direction, no dreams and dark visions of the future. His outlook on life and faith soon changed after he had taken a solo journey halfway across the country. Then he begins to search for God and finds Him, but he still struggles with his dark thoughts and denial of the Bible. A close friend tries to help him figure out deep spiritual secrets that he had uncovered, and together they decipher the meanings of the visions. Because of his denial of the Bible, their friendship is often put to the test.
