

Mike Shane is an old fashioned kind of cop. To his mind, police work should be all about pounding the pavements, interrogating suspects and following leads. It should not involve hours spent sitting at a desk staring at a computer screen. When he seconded to a computer crimes task force, he dreading spending all his time surrounded by computers and computer geeks. Carl Rawlings is no geek. With a body full of tattoos and piercings, along with a new found interest in anything and everything kinky, he is not your average cop or your average computer expert either. Immediately drawn to the other man's old school style of dominance, he quickly decides that teaching Mike all about the new program he developed won't be so bad after all, but who knows what Mike may teach him in return?
