

Michelle Cabot has inherited her fathers Florida cattle ranch, and a mountain of debt. To make matters worse, a huge chunk of that debt is owed to the neighboring rancher, her nemesis John Rafferty. Nothing shocks Rafferty more than discovering that the spoiled, pampered rich girl he once despised is painstakingly trying to run the Cabot ranch herself, working the land with desperation - the only thing she has left. He likes this new Michelle and decides to make her his woman. What he doesnt know is that underneath Michelles cool, polished facade lies heartache, secrets, and the raw determination to live life as her own woman. But Rafferty isnt about to take no for an answer.
