

It was said that when a werewolf found his mate, it hit him like a ton of bricks. Nothing could come between them. All he could think about was her. She would be the center of the world he revolved around, and nothing would stop him from claiming her. Justin never paid much mind to the legend until he ran into Marisa in the forest. Now every instinct inside of him is screaming to make her his forever. There's another man in Marisa's life though, and Justin will have to deal with him before he can claim his mate. Approximate length: 8,100 words (a novelette) Content Warning: This is not your mother's erotica. Her Werewolf, His Mate is a steamy erotic romance between a BBW and an alpha male werewolf. Some scenes in this book are unconventional and explicit. For those 18+ ONLY. Steamy Excerpt: "I'm a werewolf." Marisa took a moment to process what Justin had said, and then she smirked, a light giggle passing her lips. "That's it? That's your big secret." Now his eyes were alarmed. "No. I'm serious. I really am a werewolf." She choked back amusement. "Okay, Justin. If you believe you're a werewolf, I'm fine with that." "I don't believe I am. I AM a werewolf," he insisted, taking a few steps away. "Here, I'll show you." Without hesitation, Justin began peeling off his clothes. Marisa opened her mouth to speak, but she was lost in awe of the muscular frame that appeared from under his shirt. Men like Justin had been off-limits to her her entire life. A flush crept over her cheeks as he began unfastening the button on his jeans, and she realized she was about to see all of him. There was nothing to do but stand there and watch as Justin finished disrobing. Not once did he look up at Marisa, which gave her a good opportunity to soak in the glorious sight of his naked body completely. (Explicit naughty bits left out of excerpt. More secret descriptive goodies inside the book.)
