

Each author takes a chapter and writes her own characters and intertwines the story. There are 15 chapters of pure fun here that will make you laugh out loud and wish you were right there on that bus with them! The story consists of Sandra Hills characters, a Navy Blue Angels Pilot named Sam Merrick who is stranded in Philly at the airport trying to find a way to Snowdon, Maine for his old friend and mentors wedding. The problem with this is that a huge snowstorm has frozen the roads and all transportation! The only way there? A Santa Brigade bus full of cherry and escentric seniors on their way back to Snowdon and his old flame, Reba Anderson, the seniors director who wants nothing to do with the gorgeous Tom Cruise wannabe! She still remembers him dumping her 14 years ago! Sparks are again ignited as these two find each other again, but will love be enough to keep the flame alive? In comes Sams best friend, also on his way to Maine and also stranded at a train station in Allentown, PA. Trish Jensens characters Kevin Wilder, a bounty hunter for the NYPD, runs literally right into his quarry, a woman named Callie Brandt, a woman wanted by the law for running out on her court date. But she isnt what she seems. Kevin, now trying to find a way out of Allentown, hops on the Santa Brigade with Sams help and Callie cuffed to his wrist. Sparks soon fly when Kevin realizes that Callie is no criminal but her body should be outlawed!
