

There's nothing that Angelique Barbetta can't handle, no illness she can't recover from, not one item on her outrageous bucket list that she can't conquer—not even alligator wrestling! But after discovering her fiance in a less-than-professional position with their perky assistant, even tough-as-nails Angelique needs a break. Her law firm sends her to Red River to work on a case that should be a piece of cake. Until she meets her sexy neighbor Blake Holloway—one of the proprietors who will lose everything if Angelique wins. On opposite sides of a hostile legal battle—with a pair of Angelique's silk undies ending up in Blake's hands—undeniable chemistry swirls between them. As Blake shows Angelique just what Red River has to offer, her heart begins to melt for the people whose businesses make up the soul of the town. Can she put aside her feelings to win the case? Or will he convince her there's much more at stake than winning—like love?
