

Despite a decreasing popularity throughout his career, Anthony Trollope (1815-1882) has come to be recognized as one of the most notable and respected English novelists of the Victorian Era. His penetrating novels on political, social and gender issues of his day have placed him among such nineteenth century literary icons as Jane Austen, Charles Dickens and George Eliot. Trollope penned 47 novels in his career, in addition to various short stories, travel books and biographies. Lady Anna was written in 1871 and first published in 1874. It tells the story of Lady Lovel, whose ambitious marriage to the ill-reputed Earl Lovel left her with a child of questionable legitimacy. When her daughter, Lady Anna, is nearly twenty one, the Earl dies and his fortune is left to a distant nephew. Lady Anna must now decide to marry the young Frederick Lovel for money, or to disregard her mothers vicious meddling and marry her true love instead.
