

In this, his most satisfying novel so far, Kirk Douglas exhibits the brilliant versatility that he has showcased so vividly in his many decades as an actor. Here he tells the story of two ordinary people caught up in extraordinary circumstances - circumstances that wait right around the corner for each one of us. Ellen, a small-town girl from upstate New York, is trying to make it as a modern woman in the big city. She is doing well in her career as the librarian of a large Brooklyn hospital, but her personal life is a mess. Her boyfriend, Richard, a world-renowned heart transplant specialist, is unfaithful. Her roommate has moved out leaving her with a mountain of unpaid bills. She is broke. Then she meets Ben at a screening of Last Tango in Paris. Ben, a fitness instructor, is twice her age, but he is a vigorous man able to challenge and out-perform men young enough to be his sons. A recent widower, Ben is frantically scrambling to find a temporary place to live, because his house in Flatbush has sold much faster than he expected. Ellen rents Ben a room, but what begins as friendly business relationship slowly turns into something more. Ben feels a surge of vitality in which passion knows no age and no limits. Ellen, full of life spirit, and mischief, seems his perfect match. Yet Ellen and Bens startling and consuming affair faces a gulf even wider than the gap that separates May and December. Ellens best friend is appalled, Bens daughter, a psychologist, condemns their relationship as a Freudian nightmare. A terrible accident and then a mysterious death - which could be murder - threaten to doom their love. Soon, lifes expectations shatter on the rocks of the unexpected. Roleschange in astonishing ways. Yet, ultimately, Ellen and Bens love will prove stronger than reason - in a powerful finale than will haunt the reader long after he or she has closed the book.

Episode 2 Bliss Den (Blissed Season 1), The Yearbook of Agriculture Volume 1921, Credibility: How Leaders Gain and Lose It, Why People Demand It, Revised Edition, ETF Investing: How to Create a Winning Long-Term Portfolio (Financial Independence Books), Maze of Death 64636, The Very Serious and Boring Coloring Book for Responsible Adults, His Temptation Boxed Set: The 5 Short Story Collection of Totally TABOO Domination Erotica,

The celebrated actor-turned-author (Dance with the Devil ; The Gift) serves up some interest and a few surprises in his third novel, but ultimately this hackneyed . But he's done it so well that the essential truths of Last Tango in Brooklyn â€” about aging, love, and indomitability â€” will leave you inspired and.
