

Named Toy of the Century by Fortune magazine, LEGO toys are one of the most popular ever, beloved by boys, girls, and grown-ups too! Exhibiting a dozen astonishingly lifelike constructions by top LEGO designers, LEGO: The Calendar is a fun and obsessive tribute to the little plastic blocks that have fueled kids' imaginations for generations. Each of these creations is a masterpiece of imagination and engineering. A space shuttle on the launch pad (10 ... 9 ... 8 ...). A perfect replica of the White House. An entire city block, finely detailed down to every lamppost and distinctive building facade. Accompanying the photographs is lively text with historical lore, building tips, and LEGO artist profiles.
