

Paul Isaacs was diagnosed with Autism in 2010 and later diagnosed with Scotopic Sensitivity Syndrome by James in 2012. He has worked for Autism Oxford since 2010 presenting speeches and training sessions all around the UK. He has currently released his autobiography through Chipmunka entitled Living Through The Haze. This book explores the visual differences and difficulties Paul has experienced for over 26 years. For Paul it was a moving moment of clarity and realisation when with the correct lenses he looked outside and said Oh, the tree has a middle bit! James Billett has worked and taught in the field of special education for 30 years and has used the Irlen method with clients across the spectrum of learning differences since 1991.
