

Celebrate the miracle of love and the joy of the holiday season on the Western frontier with the Twelve Mail Order Brides of Christmas, a new series from popular author Emma Morgan! When Sarah agrees to be a Mail Order Bride, she never expects to her arrival to be a surprise. She had hopes for a chance to find love and a new life, but instead her husband-to-be doesn't want her, and is ready to send her back home. After losing his wife and young child, John is sure he would never love again. So when his brother's wife sends for a bride without his consent, his mind is made up. She has to go, as soon as he can save up enough money for her fare back East. Sarah and John agree that she will leave in the spring, after the winter season. And as they spend time together, their love begins to grow despite their intentions. But as the holidays bring back memories of his lost family, John withdraws. Can Sarah find a way into his broken heart, or will he send her home, and go back to his lonely life?
