

In celebration of its 65th anniversary, the House of Ideas proudly presents a timeless testament to another true Marvel visionary! In 1961, writer Stan Lee penned *Fantastic Four #1*, an historic issue unlike any comic book that had come before. This super-hero team had true personalities - they doubted their own abilities, battled problems of money and illness, and even fought among themselves. The monumental popularity of this realistic comic-book style inspired Lee to create similarly themed titles - including *Hulk*, *X-Men*, and *Avengers* with artist Jack Kirby; and *Amazing Spider-Man* with artist Steve Ditko. By 1965, Lee had successfully established Marvel Comics as a cohesive universe populated by world-famous comic-book characters. Now, this deluxe keepsake edition collects his greatest moments - some never before reprinted: *Captain America Foils the Traitors Revenge* (*Captain America Comics #3*): Stans first story, a two-page text piece! *The Red Skulls Deadly Revenge* (*Captain America Comics #16*): The defining Golden Age Red Skull story! *The Raving Madman* (*Suspense #29*): Stans satire on Frederick Wertham and the comics witch hunts of the 50s! *Your Name Is Frankenstein!* (*Menace #7*): A modern Frankenstein story, featuring many of the elements of the later Marvel books! *Where Walks the Ghost* (*Amazing Adult Fantasy #11*): A short, twist-ending story by Lee and Ditko! Plus: *Spider-Man* (*Amazing Fantasy #15*); *A Visit With the Fantastic Four* (*Fantastic Four #11*); *How Stan and Steve Create Spider-Man* (*Amazing Spider-Man Annual #1*); *In Mortal Combat with Sub-Mariner* (*Daredevil #7*); *The Final Chapter* (*Amazing Spider-Man #33*); *Bedlam in the Baxter Building* (*Fantastic Four Annual #3*); *And Who Shall Mourn for Him?* (*Silver Surfer #5*); *Brother, Take My Hand* (*Daredevil #47*); *And Now, The Goblin, In the Grip of the Goblin, and The Goblins Last Stand* (from *Amazing Spider-Man #96-98*); *No Longer Alone* (*Captain America #110*); *No More the Thunder God, When Gods Go Mad, and One God Must Fall* (from *Thor #179-181*); *While the World Spins Mad* (*Marvel Premiere #3*); and *The Circle of Life* (*Spectacular Spider-Man Super-Special 1995*)!

*Youth, Bathtime for Chickies, Diversidade Sexual: Direito Humano ou Direito a ser humano?* (Portuguese Edition), *Easily Quit Drinking: How to Stop Drinking Alcohol, Adopt a Winning Mindset and Stay Sober Forever* (Alcoholism, Stop Drinking, Quit Drinking, Alcoholics Anonymous, Staying Sober), *Abandoned Amusement Parks* (Scary Places), *Scientology 8-8008*, *Zimbabwe in Transition: A View from Within*, *Ryelees Cowboy* (Dawson Ranch Series Book 2), *Urban Drainage*, Third Edition (Spon Text),

In celebration of its 65th anniversary, the House of Ideas proudly presents a timeless testament to another true Marvel visionary In , writer Stan Lee penned.
