

Kyle Baker may well be the funniest man in comics. With books like *The Cowboy Wally Show*, *Why I Hate Saturn*, *Plastic Man*, and *The Bakers* on his resume, along with four (of his eight) Eisner Awards in the Best Writer/Artist Humor category, its hard to argue against him. But he does serious, too – and you cant get much more serious than Nat Turner. He is the all-around cartoonist – he can write, pencil, ink, and color with the best of them. His work has appeared in such diverse publications as *The New York Times*, *Esquire*, *Rolling Stone*, and *Mad*. Without question, Kyle Baker is a Modern Master, and this book presents a career-spanning interview and discussion of his creative process, plus plenty of rare and unseen art, including an 8-page color section, and a gallery of commissioned work!
