

Bored with mundane birthday gifts, a young boy unexpectedly receives a most peculiar gift on his birthday: a one year-membership to the Monkey of the Month Club. Though pleased it isn't just a pair of socks, he is very confused by this odd gift, until, month-by-month, monkeys and their primate cousins start appearing at his door. As the year moves on, his house becomes full of chimpanzees, orangutans, gorillas, and more, who begin turning his house into their own private playground. While a house full of monkeys, all unique in their own way, sounds like a lot of fun, membership in the Monkey of the Month Club does have some drawbacks. Find out what happens in this exciting and humorous adventure accompanied by bright illustrations. Grades Pre-K-3.
