

And that's the tale of how I got here. Naked, bound, gagged, and completely helpless, knowing there's absolutely nothing I can do about this situation until Colt gets here, which should be any minute now. Cynthia's been obsessed with bondage for as long as she can remember, and great at putting herself into it for almost just as long. It's a passion, and she revels in the helplessness of it. But she's about to screw up. She's about to get stuck. And worse still: Her coworker, Colt, is due over any minute now for the dinner she invited him to! Cynthia doesn't have much time to spare but would getting caught really be all that bad? This erotic short features plenty of bondage, BDSM, male domination, female submission, and plenty of other hot action. Lock yourself in!
