

Flowers! This is a children's book about flowers. "Natural Flowers that are Fun for Kids - Animal, Spiders, Bugs, Birds ...or Blooms?" was written and published by Nate Harper. Inside this ebook are extraordinary photographs of flowers that cause people to look twice. Is that really a spider, bee, bird or more you are seeing in that bloom? Incredibly, that's how these flowers are designed! The vivid pictures are full size and have a small amount of text. The amazing works of nature really speak through the photographs. This ebook is for nature loving kids of any age. It is also a good tool for parents to work with younger children to explore their imaginative side and help them to appreciate some of nature's more spectacular flowering designs.
