

Concert pianist Julia Gable has spent her life on stage. Exceptional, brilliant, beyond compare; she has captured the hearts of millions of people around the world. But when she loses everything to the careless actions of a drunk driver, Julia leaves notoriety and a failed engagement behind in search of anonymity. All she needs now is time and a chance to heal. Unfortunately, New York Times' best-selling mystery writer Grayson Taylor can't give Julia time. A fan since their early teens, he is inexplicably drawn to her, and he won't be dismissed; won't be denied. Together they face secrets from her past, an ex-fiancee's personal vendetta, intrusive media and the shocking truth of her accident. And when Julia suddenly vanishes without a trace, Grayson will stop at nothing to find her.
