

With Princess Sultanas Circle, the extraordinary story of Princess Sultana continues. The forced marriage of Sultanas niece to a cruel and depraved older man, and Sultanas discovery of the harem of sex slaves kept by a royal cousin, makes this brave royal princess more determined than ever to fight the oppression of women in Saudi Arabia. Princess Sultanas cause is given an extra sense of urgency against the background of increased dissent against the Al Sauds, and the looming spectre of Islamic fundamentalism. But an extended family camping trip in the desert brings the luxury-loving Sultana and relatives closer to their nomadic roots, and gives her the strength to carry on the fight for womens rights in all Muslim countries. This book paints a horrifying reality for women of the desert kingdom. It is a haunting look at the danger of Saudi male dominance and the desperate lives of the women they rule.
