

Twenty-five million years in the past, a clan of sentient, prehistoric big cats called "the Named" have their own language, traditions, and law. Ratha, a female Named, has brought fire to the clan and serves as their leader. In RATHAS CHALLENGE, Ratha faces a separate clan of hunter cats, entranced by the telepathic song of their leader, True-of-voice. When that clan's future becomes entwined with that of the Named, Ratha faces the difficult task of deciding everyone's fate. Her daughter, Thistle-Chaser, is her only hope for guidance in making the right decision, but Thistle-Chaser is plagued by nightmares of the Dreambiter, a distant half-memory that threatens to tear apart her mind. Author Clare Bell crafts a serious adventure and coming-of-age story, filled with triumph and heartbreak. RATHAS CHALLENGE, the Fourth Book of the Named in the series, finds Ratha struggling to gain the maturity needed to be both a leader and a mother. This story of large, noble cats is a larger story, indeed.
