

Scandal leads to death on the Colton ranch in the latest from USA TODAY bestselling author Marie Ferrarella. When murder strikes his family's ranch, Detective Ryan Colton follows the evidence straight to his sister. Instinct tells him she's innocent. But once her DNA is found at the scene, Ryan goes head-to-head with the forensics expert he'd hoped to avoid. Susie Howard—the beautiful woman he once loved and left. Seeing Ryan again has Susie doubting everything, especially her resolution to forget the sexy, rugged cowboy cop. If her intuition is wrong, then the real killer is still at large and has the Coltons in his sights. Teaming up with Ryan is the only way for him to save his family and his second chance with her.
