

The first sourcebook detailing the central metropolis of the Eberron campaign setting. Sharn: City of Towers illustrates and characterizes the most important city in the entire Eberron setting. The city of Sharn is a source of great intrigue and adventure on Eberron, making it the launching point for most campaigns and adventures. Sharn: City of Towers describes how Sharn looks and works, from power and politics to trade and commerce, and with four-color illustrations throughout. There are detailed geographical descriptions of every part of the city, with a complement of maps for visual reference. Monsters and villains prevalent in the city make an appearance, and there is detailed information on what characters can do and obtain in Sharn to improve their adventuring skills. Dungeon Masters will find a wealth of information on running campaigns in Sharn, and adventure hooks are provided for immediate gameplay.
