

What would have happened to Western Europe if the Mongol armies that devastated Eastern Europe had continued their campaign as planned? Who can doubt that terror and destruction would have engulfed the West, if the sudden death of Ogotai Kha-Khan had not prevented the advance of the invincible hordes? In 1241 the Mongol armies were without peer and undefeated anywhere. Their leader was Subotai, one of the great generals of all time, the victorious veteran of Genghis Khans campaigns. Against them stood the flower of Western chivalry: the Holy Roman Emperor, kings, dukes, counts, barons, Teutonic Knights, and Knights of the Temple, brave to the point of foolhardiness as individuals, but undisciplined and unable to fight as a coordinated body. If *The Name of the Rose* was the medieval who-done-it, then *Silk and Steel* is the medieval spy story and political thriller. Fast-paced action moves through the courts and cities of thirteenth-century Europe and the battlefields of the Mongol invasions. Sex, love, violence, treachery, intrigue, stupidity, and heroism are set against a realistic, vivid, and meticulously researched portrait of the pomp and barbarism of medieval Europe; of the military techniques of European and Mongol armies; and of the characters and behavior of kings, knights and ordinary people.

VOLCANOES AND SOCIETY, *Along Came a Tiger (Tiger Shifters) (Volume 2)*, *The Cave Girl*, *spoonful of life: what a Taste... (Volume 1)*, *The Choice*, *The Great American Scenic Railroads*, *Zombies vs Robots: The Undercity*, *Taiwan Travel after school(Chinese Edition)*,

*Silk and Steel: A Medieval Fantasy of Love and Espionage (Paperback)*. Richard Hill. ? To Order. Estimated despatch in weeks. Allison said: This was a fairly ambivalent 3 star Medieval-type fantasy right until the end, which I hate Liandra: *The Spider Queen*; who uses her beauty to beguile, her spies to foresee, .. Karen Azinger's *The Steel Queen* is the first book of *The Silk & Steel Saga*. .. I have actually read the first 2 books, and I love them!.
