

The Warlock Brothers of Havenbridge: Book Three Like the electricity he commands, Pierce Blackmoor streaks through life on raw power and pure sexual energy. His conquests on the battlefield and in the bedroom form his foundation, but that bedrock crumbles when his younger brothers' abilities surpass his own. Pierce finds himself at an all-time low, and clawing his way back to the top becomes his only concern. Pierce's plan to reassert his dominance, however, takes a backseat when he wounds Kale Aquilo, an emissary of the Beast King, lord of all shifters. Kale's beguiling nature shoots like a lightning bolt straight to Pierce's soul, and when the soft-spoken Kale relays that a virus is killing his people, Pierce abandons his quest for power to do something he has never done before?protect someone other than himself. As Kale, Pierce, and his brothers struggle to find the root of the magical virus spreading plague across Aeaea, the shifter island, they face a gauntlet of old and new foes. Soul struck, Pierce and Kale must uncover the truth behind the conspiracy gathering in the shadows.
