

This updated eighth edition of the most comprehensive world paper money reference ever assembled fully documents legal tender paper currencies issued and circulated by more than 376 note issuing authorities. More than 175 experts in the paper money field have priced more than 11,200 notes in three grades of condition. More than 7,300 clear photos and illustrations aid in identification. Updates include extensively revised prices, newly discovered issue dates/listings, and an exciting new color photo gallery. A detailed users guide and references help collectors better understand more of the paper money collecting hobby. The references provide grading terms, dating information, foreign language references, exchange tables, a glossary, and indexes.
