

**\*\*Trigger Warning:** This book is dark. It contains rape, abuse, sexual assault, violence, and strong language. This book is not suitable for readers easily offended by realistic tellings of human trafficking, those that do not wish to read about hard topics, or readers under the age of 18. If you want a feel-good, sexy read, this is NOT the book for you. Stay does not fit neatly into one genre. It's part erotica, part dark romance, and part suspense thriller. It is a dark, gritty, and harrowing tale about finding love in the darkest of places. Read at your own risk. \*\*

There would be no release from death, only pain. Adeline Miller is ripped from her innocent and carefree life and thrust into darkness, into a world full of pain and horror.
