

Taken Into The Mothership (Alien Erotica) When Scarlet's car breaks down in the middle of nowhere, she struggles to reach help with her cellphone. It's fruitless. She hikes down the road to improve her chances of escaping the mountains that block her reception, when suddenly a large beam of light appears over her. She's lifted into the air and finds herself inside an Alien Spaceship. There, strange creatures with stranger devices plan to experiment on her. She fights the procedure until she finds out their tools of choice. Will she be able to withstand the experiments of the aliens? Find out in this erotic 3800 word short!
