

How far is The Club willing to go? There's more to Jason than Lacey expected. There's more going on at The Club than she ever would have imagined. The torture they're willing to put her through is more humiliating than ever. Lacey works harder than ever to get the information she needs. With the help of Claudia and Chloe she is able to get closer to Lally and his schemes than even she would have guessed. She also becomes friends with Lally's daughter, Claire, and finds out more about the horrible man who has treated her and her friends so cruelly. But it all comes at a cost. Just when Lacey is beginning to believe that she knows what's going on at The Club, and knows what she needs to do to stop them, she gets taken for a wild and terrifying experience that she'll never forget.
