

At the heart of any great work of literature is a story. William Shakespeares plays are no exception. They tell the stories of kings and queens, of ghosts and witches, of romance and passion. But to get to the stories at the heart of the Bards plays, the reader must first work through Shakespeares language, a task often too demanding for younger readers (and for many adults). This new paperback edition brings ten of Shakespeares greatest plays to life. E. Nesbit, the classic British childrens author, shakes off the burdensome complexity of Shakespeares language and tells the stories at the core of the plays with a generous sprinkle of wit and humor. Her graceful, vivid retellings, written in highly accessible and lucid prose, are the perfect introduction to Shakespeares work. All of these major works are included in this anthology: Romeo and Juliet, Hamlet, Macbeth, Othello, King Lear, The Merchant of Venice, The Tempest, As You Like It, The Winters Tale, and Twelfth Night. The text is illustrated with dramatic black-and-white photographs from contemporary productions of the plays by the Royal Shakespeare Company, the Stratford Festival (Ontario, Canada), and the Folger Librarys Shakespeare Theater. Also included is an afterword by Peter Hunt, a leading scholar of childrens literature. These retellings of the classic tales of one of the worlds greatest playwrights remind us that it is never too early for Shakespeare.
