

Newly single and loving every minute, Lilleâ€™a.k.a. the Fetish Queenâ€™is unleashed and ready to dominate in the first chapter of the sexy, enticing Fetish Queen series. Blond, buxom, and bold, pin-up girl Lillehammer Marceaux can get any man she wants, but she leaves her fiance to move to Florida and run a sex shop called The Fetish Box, owned by her best friend. She immediately clashes with Max Jobman, the rough-hewn tattooed Irishman who owns the local pub. Not a very trusting man, Max is convinced sheâ€™s a spoiled beauty whoâ€™ll stay just long enough to find a rich husband. He quickly learns that Lille isnâ€™t interested in a husband; sheâ€™s focused on making the business a successâ€™but that doesnâ€™t stop her from thinking about what an excellent lover Max will makeâ€™! What neither Max nor Lille realizes is that her efforts to become the Fetish Queen, which include making a type of reality show, have caught the attention of a dangerous figure from Lilleâ€™s past. Will her troubled past come back and drag her down, or will the Fetish Queen get her way?
