

Chicago 1925 Amidst the violent, bloody boulevards of gangland Chicago, Archie Mannis uses his fists to rise from the shadows of St. Vincents Asylum For Boys. Forging a reputation from his earliest amateur bouts, Archie's fists carry him through the Great Depression and into the heat of The War In The Pacific. Back home, his fistic skills put him once again on a championship road. But there are dangers lurking – the sweet taste of morphine, crooked fight promoters, and a bitter enemy whose hatred has festered since their hardscrabble childhood. As Archie Mannis faces his last round, legendary boxers, famous writers, Hollywood celebrities, and notorious mobsters are all part of the mix – waiting to see if Archie will still be standing in the ring when the final bell clangs ...Written in the style of the great fight biographies found in the sports pulps of the ~40s and ~50s, The Last Round of Archie Mannis will have you cheering from ringside ...
