A novel is a piece of long narrative in literary prose. Narrative prose is meant to entertain and tell a story. It is a description of a chain of events which includes a cast of characters, a setting, and an ending. Most publishers prefer novels that are in the 80, to ,word range, depending on the genre. Everything that is concrete in a novel (the characters, the places, the events) all sit on the surface. If you shot a movie of the novel, these things.

Will Self is the author of 10 novels, five collections of short stories and several works of nonfiction, including The Quantity Theory of Insanity. The novel is dead (this time it's for real). Literary fiction used to be central to the culture. No more: in the digital age, not only is the physical book.

novel. If something is so new and original that it's never been seen, used or even thought of before, call it novel. The noun novel describes a book-length work of fiction. New and novel come from the same Indo-European root but by different paths.
