

The Pilot: A Tale of the Sea is a historical novel by James Fenimore Cooper. Its subject is the life of a naval pilot during the American Revolution. The hero of the book is John Paul Jones, who appears as always brooding upon a dark past and a darker fate. Yet he is not so morbid but that he can occasionally rouse himself to terrific activities in his raids along the English coast. Another character is Long Tom Coffin, of Nantucket, comparable to Harvey Birch and Natty Bumppo from Coopers other novels.
