

Counseling is more than Laura Walton's job—it's her calling. So when Luke Martinez hangs up abruptly after calling the hotline where she works, Laura won't let it go. She tracks Luke to the Grand Canyon, little knowing she's walking into a heap of trouble. Laura's not the only one tracking Luke, and while she came to help him heal, his other pursuer has murder in mind. Luke thinks he has nothing left to lose until Laura makes him believe—and love—again. Just in time, too, since he'll need all his faith to face this last enemy.
