

Emily Rothmeier loves a good mystery. One involving a sexy man is even better. But when sex crimes against older women start terrorizing the college campus, turning private investigator might be biting off more than she can chew. After an evening class, Emily witnesses something she doesn't understand. A cry in the dark. A mysterious figure racing from the scene. The front page of the paper announcing a murder. Things don't add up. Distracted by the watchful gaze of a man who seems to be wherever she is, she isn't sure whom to trust. Private investigator Rafe Healy is hot on the trail. Leads are falling into place. He's hoping to get his man. But when Emily, who fits the killers target group in more ways than one, tries playing mystery solver, he knows she's thrown herself into the line of fire. Not to mention, her gutsy and determined attitude is getting to him as badly as her tempting body is. Keeping Emily safe and in line, fighting to stay one step ahead of a serial killer and keeping his wits about him will prove to be the biggest challenge of Rafe's life.
