

Two author styles come together for Dark Paranormal Romance + Urban Fantasy = a yummy Brief-Bites novelette. Being turned isn't everything it's cracked up to be. Narah's a vampire, yet not. Because of a twist of fate and circumstance, Narah finds she's tied to both Aeslin and Matthews. She's now wanted as a deserter from sentencing by the very people she fought beside. And Magistrate Oren still wants his final lash at any cost. From opposing forces, Murphy and Marc find a common goal in helping Narah return to her former life. However, Aeslin and Matthews have other plans, ones that involve her soul and her heart. When everyone is taken from Narah, and a sadist holds the reins to her sanity, can the males fulfill their promise to protect her, or will Narah be left to fight this battle alone? Vampire is 55+ pages/12,700 words, and is the fifth volume of six episodic novelettes in the ALPHA CLAIM serial.
